Power – Power Electronics & Electric Drives

EE 453: Power Electronics

EE 531: Power Electronic Devices
EE 631: Switch Mode Power Supplies
EE 505: Advanced Techniques of Engineering Analysis

EE 535: Control of DC Machines Drives
EE 536: Control of AC Machines Drives
EE 632: Digital Simulation of Power Electronic Converters
EE 6ZW: Application of FACTS Devices

EE 532: Power Electronics Converters

EE 452: Power System Analysis
