CAD / CAM Lab

Department of Industrial and Manufacturing Engineering.
University of Engineering and Technology Lahore

www.uet.edu.pk
+92-42-99029231
Objectives:

- This Lab introduces students to softwares and equipments associated with CAD/CAM
- This Lab helps students to build their basic concepts about CAD/CAM
- This Lab helps students to learn the following using different CNC Machine’s
  - Basic working principal
  - Axis movements
  - G & M code Development
  - Programing and Test run of Programmed part

Equipment Details

- ✓ CNC Lathe Machine
- ✓ CNC Milling Machine
- ✓ Desktop CNC Lathe Machine

CNC Milling Machine
CNC Lathe Machine

Desktop CNC Lathe Machine
